

For sustainable and inclusive communities directing their own social, economic and environmental futures...

...through learning events, information brokering, research, training, policy outreach and networking opportunities

Why Join CCEDNet?

- CCEDNet gives you the opportunity to **belong to a national movement** and to **shape policies** that support your work for healthy, strong communities.
- CCEDNet enables community leaders to **make positive social, economic and environmental change** at local, regional and national levels by providing forums to discuss, identify, implement and support effective strategies for inclusive communities.
- CCEDNet helps organizations **become more effective and sustainable** by providing sector intelligence, professional development, knowledge of effective practices, peer input, resources, opportunity identification and advocacy on behalf of the sector.

A member-led organization
